# StratKIT project (2019-2021)

• The aim:

WITH FINANCIAL SUPPORT OF THE RUSSIAN FEDERATION

to make public procurement and catering services more sustainable in the BSR, by:

1) identifying solutions to the challenges

2) developing and testing regional strategies

3) inspiring and motivating procurers and caterers to use their opportunities

Cooperation and knowledge sharing across different countries in the Baltic Sea Region (BSR).

## StratKIT's approach

• Mapping the current situation and collecting both the challenges and the **best practices.** 

- Showing how strategic progress can be made towards increased sustainability. These models include international knowledge and mainly base on innovative approaches by BSR professionals.
- Bringing together the professionals so that they can **network** and become animated about sustainable developments in the sector.
- Tuning the results into the BSR **Sustainability Toolkit**, which is an easy-to-follow and bottom-up guidance for sector's professionals.

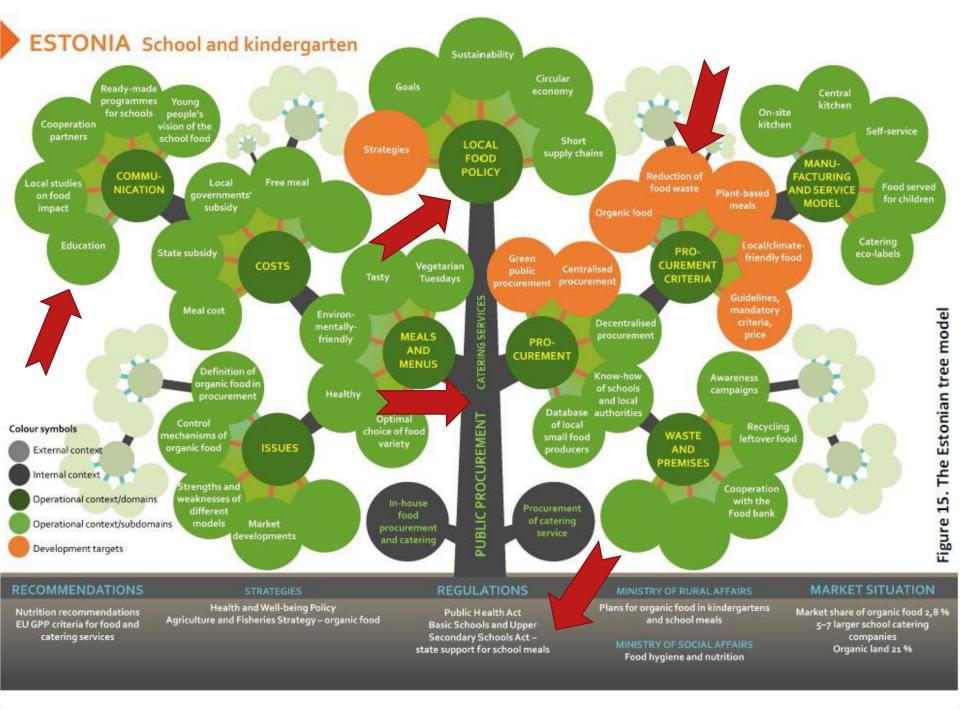

# Main Outputs of StratKIT
